Beauty and the Beast Pre-Show Agreement

The following agreement must be read and initialed by the renter, director or person(s) in charge of payment before any further actions can be performed.

Please make sure whoever will be in charge of the costumes also has a copy of the "Alterations", "Return Procedure" and "Missing and Damaged Items" pages.

• Measurements

You will need to print off measurement charts from our website. These charts must be filled out **completely**. Please make sure the person or persons measuring follow the instructions **carefully**. If the charts are not filled out to

completion or correctly that may affect the fit of costumes once received.

Measurements charts should be completed and sent to us at least 8 weeks before your opening date. Getting them to us later than that may affect the ship/pick-up date of your costumes.

There will be a **\$10.00** restocking fee charged for any costume that must be "re-pulled" due to incorrect or incomplete measurements.

- Paint directly to the fabric
- Add or take away any embellishments without the **express permission** of an employee at HARRIS COSTUMES.

(All makeup/spirit gum stains that cannot be removed by us will result in charge to replace costume.)
